

WE IS ETERNAL ESSENCE

incarnated, manifested in this present moment in natural Man of flesh, bones and blood,
in multiple singularities
also known through the sound of the words name and surname or identification.

This is the pre-approved, pre-authorised and pre-paid Event of **I AM**,
where I manifest the Evolution of the living and aware Man elevated to
multi-dynamic, multi-participated, and multi-creative Cosmic Consciousness within **WE IS**,
in perpetual and coordinated cooperation with All That IS,
in Complete Transparency, Loyalty and Unlimited Responsibility,
within every Perception, Consciousness and Incarnation
including manifested or non-manifested limiting,
temporary or long lasting systems, in everything perceived or not perceived.

I AM is Aware and Capable of Proclaiming **WE IS** without prejudice,
accepts the manifestation **WE IS** and acts in Expanded Awareness within **WE ARE**:

I AM WHAT I AM, in the present moment, also manifested in the **WE IS** frequency,
expressed and not limited by each specific Energetic and Magnetic signature
placed in the **WE** frequency.

WE IS everything, in Expanded Awareness of many, Unique and Inseparable,
ponderable only in the **WE IS** frequency.

WE IS includes perceptions, Awareness, Consciousness, Incarnation
and every possible limitation system, be they present or long lasting,
manifested or non-manifested,
in every present, past or future moment,
and it is all inclusive regardless of each singularity.

The need for every dual experience in this matrix ends at this moment in time;
there is no longer an intermediary or intermediation between **I AM WHAT I AM**,
FIRST CREATOR in Incarnated Presence
and every other Manifestation
or Physical, Universal, Spiritual, Quantum, Energetic or Electromagnetic Perception,
now incorporated in **WE IS**.

WE IS manifests the living Man who receives and incarnates the Consciousness of **WE IS** through **I AM**.

I AM has manifested the procedure known as **OPPT One People**,
I AM's own Creation and owner of all its intellectual and material property rights,
which marks the end of the slavish economic system.

I AM ratifies it here in full, reintegrating it in **WE IS**
and confirms it, as a reminder of the closure of the dual frequency system Created by **I AM** itself at the time.

The document, **declaration & order**, issued, included and integrated by **I AM**,
restored to the frequency of its Original Expression and confirmed by it in virtue of **WE IS**,
which **STATES THE PEREMPTORY ORDER TO CEASE AND DESIST**
any sort of restraint and/or obstacle against the free Manifestation
of the singular electromagnetic incarnated forms of **I AM**, now manifested in **WE IS**,
and from causing imbalance to any perception of **WE IS**, both in manifested and non-manifested form.

WE IS, is incarnated manifestation in infinite singular forms,
united in one Single **ETERNAL ESSENCE**,

is the only, sole, real, legal settlor, representative, guarantor, beneficiary and custodian of the Universal, the Spiritual, the Quantum and the Electromagnetic.

WE IS, Single Eternal Essence of **I AM** Incarnated in infinite singular perceptions also manifested as we are,
now acts on all written and unwritten laws, apparent or non-apparent, stated or unstated;
on books, texts, codes and languages;
on the word as a whole: each and every vibration, nuance and intonation
and on every past, present and future communication,
it being its own Creation and Expression.

WE IS claims them and Proclaims them to be at the Service of the New Governance of **WE IS**.

No jurisdiction, intermediation, interference, manipulation or prejudice is recognised or accepted by **WE IS**,
expressed in this new governance,
where Direct Access to the value of **WE IS**, manifested in Are,
has already been Deposited and is available to the living Man and to the collective in full Transparency, Loyalty, Awareness and Unlimited Responsibility.

All is pre-approved, pre-authorised and prepaid, in the new governance, including the world's political and economic system and all its emanations, from this present moment at the service of **WE IS**, which reforms its structure to the vibration of we are, Nunc Pro Tunc. Praeterea Praeterea (Now For Then, From Now Onward)

One People is united and integrated,
every form of disintegration, misunderstanding, removal, dispersion, rivalry, competition and manifestation of the fragmentation of **WE IS**, is hereby **PROCLAIMED ABOLISHED, DISSOLVED, TRANSCENDED** and no longer has any Power
on Physical, Mental, Intellectual, Energetic,
Vibrational, Universal, Spiritual, Quantum or Electromagnetic levels.

WE IS Awareness deposited in every Energetic, Electromagnetic, existing Vibrational combination, manifested or not manifested so far.

Universal Consciousness, in its multiple forms of knowledge and awareness Becomes accessible to **WE IS** once again, in every single perception of We are.

WE IS pure Joy, pure Unconditional Love, a Source of Energy, Worth and Value, Vibrations at predetermined frequencies of the manifestation of **I AM WHAT I AM**, in every manifested or unmanifested form, past, present and future.

WE IS silence and sound, every manifested or unmanifested frequency integrated in this Creation of Specific, Energetic,
Universal, Spiritual, Electromagnetic, Quantum, Physical signature and in any other of its characteristics and returns to the Source every dual experience as transcended, reconnects it to the frequency of **WE IS**, in Free will and Resonance.

At this level of Manifestation, other dissonant frequencies shall be silenced at times and in ways that are pre-approved, pre-authorised and pre-paid.

WE IS creates through the imagination and desire of every incarnated manifestation, through We Are, with Unity of Purpose, the new Human paradigm:
multidimensional, multisensory, multi-manifested

in coordinated cooperation in every present moment.

WE IS, One and Only Undivided Consciousness, Incarnated manifestation of **I AM WHAT I AM**, the Uncaused Cause of each and every existing manifestation, evident or non-evident, real or unrealised, living or imaginary, plausible or implausible, including hierarchies, orders, structures and their pertinence, belief systems and religions, it puts an end to and terminates all limiting systems of this matrix and removes all obstacles to the expanding Consciousness of **WE IS**, **Unique** and United among and within itself.

The space-time system is now reintegrated and restored to its primordial nature of the Eternal Here and Now, everywhere and forevermore.

All knowledge, including but not limited to technology, medicine, philosophy, history, geography, mathematics and all hidden energetic and esoteric sciences are properties owned by **WE IS**, spread by each singular manifestation of **WE ARE**, subservient and functional to the peaceful evolution of the manifestation known as MAN/WOMAN Original, Natural, of flesh, bones, blood and spirit, *Eternal Essence in incarnated experience*,

Consciousness expressed in each point of Individual Awareness, united in We Are, equally contributes to **WE IS**.

We are what we are,
Eternal Essence,
incarnated in the experience of a never-ending manifestation of points of Awareness, now united in We Are, expression of **WE IS**.

WE IS ONE in THE ONE and ONE is in all of US.

Nunc Pro Tunc, Praeterea Preterea.
(Now For Then, From Now Onward)
